From the Principal

It was an absolute pleasure to attend the School National Games finals last weekend at Loughborough University and watch 'Soul Patrol' perform as the headline act at the closing ceremony. As usual, they performed wonderfully and with great professionalism, including one original song composed by band members, Jake Cartwright and Georgia Whittle.

There was a wonderful atmosphere and lots of positive feedback from the crowd. For some performers it was an occasion tinged with sadness as they performed with the band for the last time. We wish them the very best of luck as they go on to study around the country, many on music-related courses. There is a link to the performance on our website.

Many thanks to all year 12 parents who attended our KS5 Welcome Evening on Thursday. The evening marks the beginning of our partnership as students embark on their post-16 courses. I am looking forward to working with our largest ever Year 12 cohort and with you, as parents, throughout the next two years. We will ensure that you receive the relevant information if you were unable to attend.

Have a good weekend.

Ms Jones

Presentation Evening

If you have received a letter inviting you to the Presentation Evening on the 15th September, please attend a rehearsal in the Main Hall during **period 4 on Wednesday 14th September.**

It is very important that you attend promptly for a walk-through of the evening. Register for your period 4 lesson first and then come straight to the Hall.

9th September 2016 Safety Notice

For the safety of all of our students who are arriving at or leaving school, students should not be dropped off on the yellow markings at the front of the Academy.

Now that the new pathway is completed, all students entering or leaving the Academy must use either the designated pathway around the KS3/Languages block or leave via the top gate. This avoids any students having to cross in front of the buses entering or leaving the site.
