

Robert Smyth Academy

Dear Families,

Thank a Teacher Day – Wednesday 18th June 2024

Wednesday, June 18th, is National 'Thank a Teacher Day'. The campaign recognises school leaders, teachers, teaching assistants, and all support staff.

I need hardly stress the importance of our students having a strong, high-quality, and stable teaching team. This is especially crucial in the ongoing national teacher shortage, and when we all rightly expect our children to have a great education so that they can gain excellent qualifications and unlock the doors to their future. None of this is possible without dedicated, highly knowledgeable teachers, and we are fortunate to offer this to all our students at Robert Smyth Academy.

We invite all students and families to take a moment to thank teachers who have made a difference in their lives. We will forward all messages to the teachers on Thank a Teacher Day and I can assure everyone that these words will be highly valued by colleagues.

Thank a Teacher:

1. Please complete the Thank a Teacher form [here](#)
2. If you would prefer to send a free card, you can complete this form:

As most families will know, the summer term at Robert Smyth Academy is by far the busiest time of the academic year. Next week, we will remind you of all the enrichment opportunities our students will benefit from and we look forward to your 'Thank a Teacher' messages in the coming week ahead.

Yours sincerely,

Dan Cleary
Principal
